My talk is next Thursday, and I'd need some time with it. Is next Tuesday or Wednesday within the realm?

I do but I am updating the presentation to incorporate our recent decision. When do you need it?

Subject: OR CZARA--powerpoint slides

Hi all,

I've been asked by my office to give a talk about the recent OR CZARA action. I'd like to not start from scratch, if I don't have to. Does anyone have some powerpoint slides from a briefing or talk they've given on this topic? Please let me know.

Thanks,

Jennifer Byrne
